## Memory Game

### Printing Instructions:

When printing select "Fit to printable area" (or similar) to ensure the page fits with your printer type and local paper size. I suggest printing onto card stock or matte photo paper. Print 2 copies of the each cards page.

### How to Play

Shuffle the cards well and spread them face down. Players take turns to turn over two cards at a time, searching for the matching pair. If the cards selected are a match, the player keeps the matching pair and takes another turn. If they are not the same, the cards are turned back over in the same location and play moves to the next player. Once all cards have been matched, the player with the most pairs wins the game.
